

About SRI PMD:

SRI PMD, Inc. is an engineering and manufacturing company located in Melbourne, Florida. Since 1969 SRI PMD has provided high performance wireless sensor telemetry and data acquisition products and systems for test and measurement requirements in the Automotive, Aerospace, and Process industries worldwide. Their Wireless Link products are used for accurate real-time connectivity between sensors or transducers and instrumentation in applications where conventional wiring is difficult or impossible. SRI PMD and related companies Summation Research, SRI Connector Gage, and SRI Hermetics are leading providers of communication products and services.
